Summer 2007

I'm looking forward to seeing you all this Friday at our June ICON meeting. Jeanne will be sending details about the location along with a map of how to get there. Darrel will get the March meeting minutes to Lisa to post on the web site. This month's meeting will be a mini-MLA, so anyone who attended MLA, be ready to share the highlights with those of us who didn't attend. And there will be goodies galore to share! The agenda for the meeting is attached, and Lisa has added it to the web site. <http://iconlibrary.org/iconnection/18/summer07.html>

As we get closer to the Joint Meeting in October, the committees are working harder to make this event one to be remembered for a long time! It's amazing to see the "behind the scenes" work being done by all the committees.

I'm writing to you from my hotel in Washington, D.C. where I am lucky enough to be attending ALA. This meeting has broken all kinds of attendance records, with over 27,000 people. And despite this huge number of people, I still ran into ICON member Robin Berenstein twice, and talked to Rivkah Sass briefly. So, its still a small world.

See you all on Friday!

Siobhan
