Summer 2008**

We're taking a road trip to Lincoln for the June 13<sup>th</sup> meeting. I am sending out a message with instructions from Anne on how to get to BryanLGH but I am also including her instructions below for anyone who needs them. There will be a car caravan meeting at the HyVee on 90<sup>th</sup> and Center at 11:15 a.m. Lunch will be provided by ICON with additional drinks and cookies supplied by our hostess. Please look at the March minutes and the upcoming meeting agenda before the meeting  
<http://iconlibrary.org/iconnection/19/summer08.html>.

This month's rousing meeting topic will be an MLA recap. I encourage anybody who attended to add their own insights and any news that might be useful to other ICON members. The focus of this year's MLA conference was on Web 2.0 and many of the emerging issues related this movement. As usual, there will be some MLA "give always" available at the ICON Meeting, (yet, another reason to make the trip!)

I hope most of you and your homes have escaped unharmed from the crazy weather we've been having. I'm sure some of you will have some interesting tales to tell.

See you all in Lincoln!  
Jeanne
